Class Prophecy

1952 - 1972

Well, here we are the lucky ones who won tickets to Paris. In the year of 1952, television was still in its infancy; now twenty years later it's just a common occurrence to win tickets to such a gay place as Paris. You may be very surprised to know how many of our former classmates have established themselves there. Let me tell you about it:

On the way over we met our pilots, Leon Furr and Roy Umanzio, and our charming hostesses, Dorothy Carr and Edith Eisenburg. In mid-Atlantic our plane roared over the U. S. S. Porcelli (Louis always **did** want a naval career!) commanded by Admiral Edward Vargus. In Paris the motors had hardly stopped turning over when the able mechanics John Davis and Robert Sheehan were checking the plane for its return trip.

After checking into the hotel we hired a taxi to begin our tour of Paris. Paul Molinari, the taxi driver, displayed a big smile and a French accent. He said "Bonjour, Ou allez-vous?" (Good day. Where to?) "Aux Magasins, s'il vous plait." ("To the shops, please.") Our first stop was at the exclusive dress salon of Madam Zoe Sophias. Her leading model was the sophisticated Mademoiselle Marguerite Johnson. While we were there the designer from the shop next door, Mademoiselle Joan Broadcorens, came in to discuss a new fashion with Zoe. We then dropped into the office of Merriman, Laufer, Furilla, and Howlett, a firm

of accountants. Among their many captivating secretaries were Charlene Murphy, Eleanor Messina, Phyllis DuLong, Leah Chase, and Edith Alexander.

Our next visit was to the Cafe du Lait where we were served by that renowned French waiter, Jacques Fay. He told us that he had met Mary Emerald, head nurse at the Jamb Casse Hospital, and suggested that we visit her. We took the bus driven by Ace Siggins, who almost ran over the street sweeper, Mathew Sgan. When we alighted we met Marianne Mandile, Leta Richardson, Edith Cameron, and Ann McKenzie going off duty and returning to the nurses home. At the hospital we saw the dieticians, Shirley Foote and Ann Murphy. Patty Stern was the laboratory technician. Ruby Moulton was recovering from an auto accident under the capable care of Dr. Ronald Bellingi.

In the evening we attended L'Opera where Alice Mortimer, accompanied by Patricia Hall, sang her rendition of Le Vilanelle (The Swallow). Guest pianist was Lois Mandlebaum and the talented pianist in the orchestra was Bill Barnard.

At the end of the day we were elated over finding so many of our old friends again. We spent the rest of our vacation renewing acquaintances and memories of our dear old days at Medford High.

Talent Show

In November, the skilled members of Medford High produced their annual talent show as usual. It was a great success. Many weeks of ardent rehearsals under the capable direction of Mr. Pidgeon and Mr. Carey preceded the performance. The skit that set the stage for the individual acts was written by a clever Junior, Joan Celia. The first half of the show offered one fine performance after another. Our class of '52 was well represented by the following persons: Minstrel, Greg Curtin, with his banjo playing **Russian Rag**, Alice Mortimer with her beautiful soprano voice, and Loreen Kaiser dancing the Chareleston. The gay music of the French Can-Can began the final act in the first part of the evening's entertainment. Participating in this number were Virginia Torlone, Jane Chisholm, Joan McNamée, Sally Toperzer, Joan Nobis, Audrey Penn, Mary Cavanaugh, Ann Ratzl, and Mary White.

The second part of the show was opened by a jazz band led by Frankie Frangello and his saxophone with Kenny Rago on the drums, and Joe Pietropaolo on the bass. Next, graceful ballet dancer, Barbara Pashoian, pirouetted about the stage. John Lamb followed with a side-splitting mimicry of Frankie Fontaine, Fred Allen, and a few other stage personalities. After the audience had quieted down, Larry O'Keefe held their attention with his wonderful voice. Although Larry had two en-

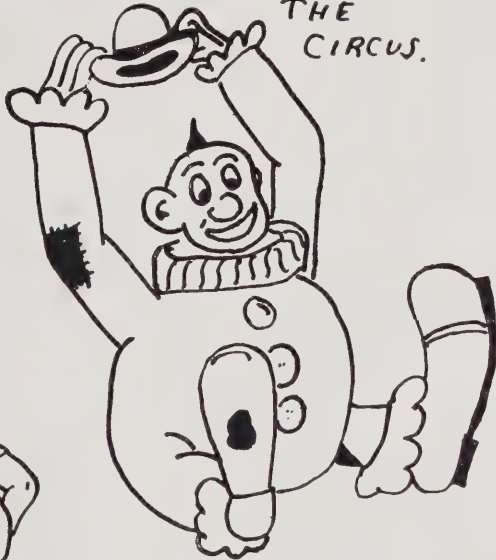

cores, he left the stage with the audience clamoring for more. In contrast Dorothy Harris performed a series of amazing acrobatic feats. Following Dorothy, the spirited music of pianist William Barnard filled the hall. Joan Brown then gave the enchanting song, **One Kiss**.

The show was ended by Art Brophy, one of the outstanding tap dancers around Boston. Art really capped the evening's entertainment, and the audience left Chevalier with a glowing admiration for the talented members of Medford High School.

Medford 20

Malden Catholic 0

Playing an aggressive game, the Medford High Mustangs crushed Malden Catholic twenty to nothing at the Fulton Street Field before an overflowing crowd.

Medford 6

Waltham 2

After trailing 2-0 until the fourth period, a Giamelli to Monaco pass brought the ball to the 4 yard line where Dan Bova, a powerful right halfback, went over for the tally. One of the stars of the afternoon was Joe Monaco, who played an outstanding game despite an injury.

Medford 7

Somerville 6

A line plunge by Joe Monaco in the second period from the 18 yard line and then the extra point conversion made by Jim Kurker accounted for the first score in this Columbus Day Classic. Somerville utilized Medford penalties and scored; but the extra point was blocked; and Medford went on to their third straight win.

Medford 45

Melrose 0

Showing superiority in all departments of the game, the Mustangs trampled the Melrose High team by a score of 45-0.

Medford 28

Everett 7

Medford, on a savage march to stardom, belted the Everett Eleven to a 28-7 score. Sparking the attack was Jack Geary and the fleet-footed Dan Bova.

Medford 19

Newton 12

Newton managed to match each of Medford's early scores. With scant minutes to go in the final period, however, Danny Bova on a screen pass carried the ball seventy-five yards for a touchdown and a thrilling victory.

Medford 31

Arlington 0

Touchdowns by Bova, Bersacola, Fay, Sarni, and Mahoney and a conversion by Kurker accounted for Medford's 31 points. Jack Geary was an essential factor in this seventh win.

Medford 33

Chelsea 0

Medford again demonstrated their power by trampling a weaker Chelsea team by 33-0. This, the eighth straight win, made Medford a bowl bid and opened the way for the Class A Title with but one game yet to play.

Medford 0

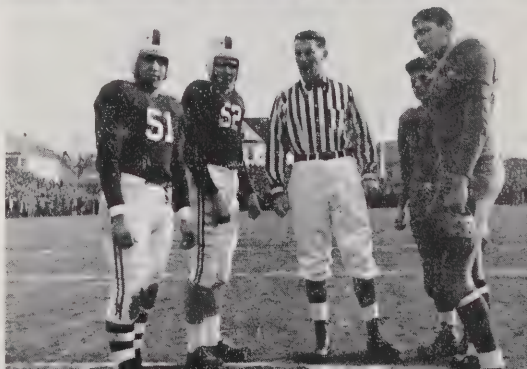

Malden 19

The second oldest Thanksgiving-Day Classic about Greater Boston found the Golden Tornado with seven wins and one tie clashing against slightly favored Medford with eight consecutive wins. During the first half the two teams fought a scoreless battle. In the second half Malden capitalized on a long scoring march to give them three touchdowns. This broke Medford from the undefeated-untied ranks.

SUMMARY

Coach John Prior and his assistants should be highly commended on their splendid work in turning out an outstanding team. The loss to traditional rival Malden was a bitter pill to swallow, but the coaches and players took it like good sportsmen. The Mustangs were a credit to Medford High School and a fine example for teams in the future.

The co-captains selected for next season are Dick Fusco and Tommy English.

The cheerleaders, in their smart new uniforms, did an exceptionally good job of cheering not only at the football games but also at the basketball and hockey games. For years the cheerleaders had been wearing the same old "hand me down" sweaters and skirts. This year our cheerleaders, who were right on the beam, designed new uniforms. The Boosters Club, a wonderful newly organized group, raised the money for the uniforms through public subscription. These girls have broken the ice now for future cheerleaders to have smart uniforms also.

These enthusiastic cheerleaders practiced hours on end and soon made up many new cheers as well as perfecting the old ones. The new cheers looked sharp in the Tech Tourney where they were shown to their best advantage.

The vivacity and sparkling enthusiasm of the cheerleaders encouraged the spirit of the student body and helped to lead the teams on to victory. The girls did a wonderful job for which we all congratulate them.

Soccer

Coach Al Stillman's Varsity booters, although amassing an unimpressive record of six wins, seven losses and one tie, were much better than this record implies. Plagued by ineligibleibles and hard luck, the team lost six games which might have been won. Four games were lost by one point and two were lost in the closing minutes of the game. With more luck the record might have been twelve wins, two losses and no ties. Co-captains Chet Hall and Ron Cavanaugh were outstanding all season long, as were Roger Salucco, Charlie LaBella, Bunky Boyson and Bill Calvani. Bunky Boyson led the team in scoring with Roger Salucco running a close second. Bunky scored ten goals and Roger, nine. Eighteen seniors made their letters.

"Medford High School Track Team Wins Metropolitan League Championship"

Most gratifying reading for all, the track team had done it again.

The 1952 team added its page to history with a glorious undefeated season in dual meet competition.

Our class contributed much to the success of this courageous and determined group of tracksters. Robert King and Joseph Monaco, both stars in interscholastic track circles, captained the team. Other scintillating seniors were Kenneth Wadman, John McGrath, Donald Bersacola, Arthur Cudmore, Francis Holland and Chester Works.

Baseball

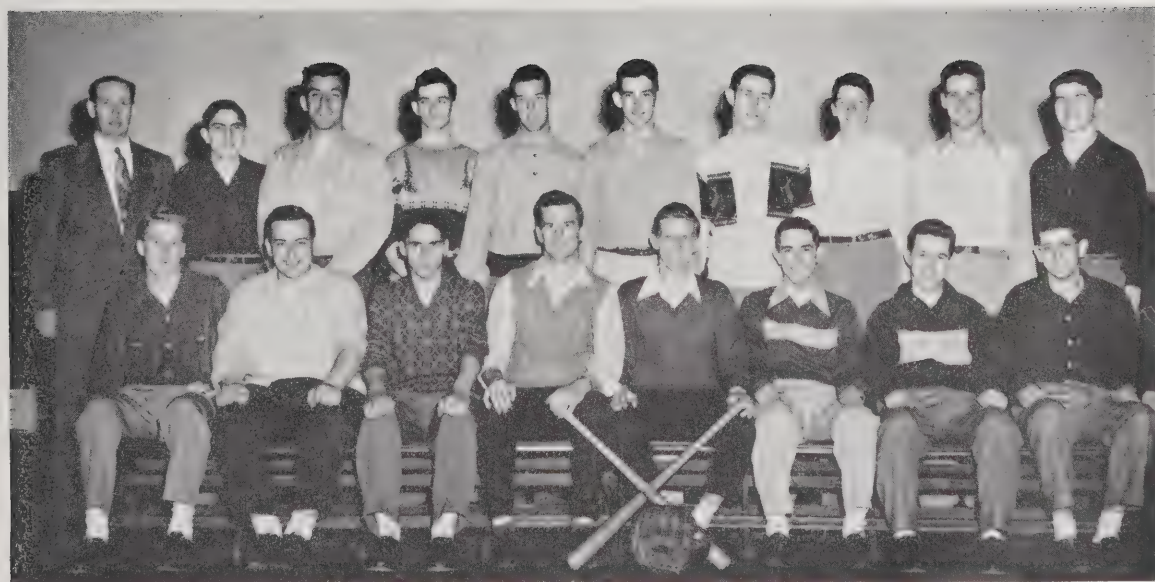

The Mustangs inaugurated the 1952 G. B. I league opener against favored Everett and emerged on the tall side of a 15-6 score. Coach Terrill is looking ahead towards a banner year for the baseball team, which as a result of the Everett contest should pose a serious threat to Somerville, Quincy, and the other members of the Greater Boston League. At this time only the Everett game has been played. The seniors on the squad include:

Jack Geary
John Walsh
Ralph Gianelly

Robert Delfino
James Gillis
Fran Wall

Lorne Thomas

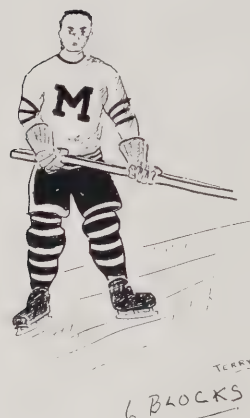

Hockey

Playing, under the excellent tutelage of Coach Jack Garrity, the Mustang hockey machine, although getting off to a rocky start due to limited practice sessions picked up speed and rolled over four of their five remaining opponents. Led by the Co-captains Tom "Butch" Power and Fran Wall, both elected to the All-Star team, Fran Wall was outstanding for the All-Stars. Medford was 4th in League Scoring and 5th in the standings. The Mustangs scored 16 goals to their opponents 17. Lettermen on the hockey team were as follows:

Alec McKinnan
Charlie McCarthy
Jack Geary
Tom Power
Ted Bova
Carl Stinson

Basketball

The 1951-1952 Medford High Basketball quintet showed early indications of becoming a serious contender for the Greater Boston League honors when they trampled over their three pre-season foes in handy style.

Medford at Everett — The curtain raiser of the G. B. L. found Medford riding over Everett 56-46 in a game which saw the Mustangs fashion a speedy attack virtually running the Crimson off the floor.

Quincy at Medford — Tension was in the air when the defending league champs, Quincy, invaded the Mustangs' stamping grounds. Medford passed its first big test, trouncing the Granite-City aggressor, 54-33.

Medford at Lowell — After maintaining a torrid fast-break style in the whirlwind first half, the Mustangs coasted along in the final stanza and emerged victorious 51-46.

Malden at Medford — With Ronnie Cavanaugh and Skip Bohn paving the way in the scoring department, the Blue and White held off a serious Malden threat and took the Golden Tornado into camp 53-42.

Malden at Chelsea — Medford's slate remained clean as the Blue and White downed the Red Devils 43-32.

Medford at Revere—Unleashing a terrific scoring exhibition, the Mustangs ran roughshod over hapless Revere to the tune of 74-36.

Somerville at Medford — After leading throughout the contest until the final minutes, Medford received its first loss of the campaign administered by arch-rival Somerville 48-44.

Everett at Medford — Rebounding into the win column, the Mustangs bested the Crimson in easy fashion 49-26.

Medford at Quincy — Determined to better the score of the first clash between these two clubs, Quincy threw a scare into the Mustangs, but a late rally fell short and Medford triumphed, 43-42.

Lowell at Medford — Continuing its winning ways, Medford stampeded over the Textilers 53-33. Ralph Gianelly was a standout both offensively and defensively in this affair.

Medford at Malden — The Mustangs invaded neighboring Malden and Ron Cavanaugh ignited the spark which led to the Medford triumph. Medford 52 — Malden 41.

The play of Capt. Ronnie Cavanaugh cannot pass without some words of praise. He broke the league one-game scoring record and his all round hustle was instrumental in many Mustang victories. Cavanaugh and Bohn were chosen on the league's all-star first team, "Cav" being voted the most valuable player of the league. John Reardon, tall center, was rewarded for his fine play by being chosen as the team's most improved player.

Ralph Gianelly was tremendous on defensive all year and he put on a scoring show in the Tech Tournament. Dick Fusco, Walt Meagher, Tony Gianelly, Lorne Thomas, and Vic Petreshne played stirring, hustling basketball and came through throughout the season. The 1952 seasonal record was the best that any Medford team produced.

This fall at the Water Street Courts a sextet of popular senior girls under the direction of Miss Luce played some fancy games of tennis. Those participating were Ginny Eames, Pat Porter, Pat Collins, Carol Bickford, Beverly Phillips, and Shirley Jones. Although the seniors offered keen competition in the annual tournament the banner was won by the Sophomores.

Girls' Basketball

Under the capable coaching of Miss Luce, a large number of girls participated in girls' basketball. The three classes organized teams to compete with each other. The seniors, with Ginny Eames as their captain, won the intramural basketball pennant for the third consecutive year.

The senior team included:

Carol Bickford
Mary Colby
Mary DiVencenzo
Ginny Eames
Sylvia Giallombardo
Patricia Giallongo

Girls' *Volleyball*

With such experienced instructors as Miss Luce, Miss Ellard, and Miss Stewart, it is little wonder that the senior girls have done so well. They won all twelve practice games and defeated the sophomores forty-four to three before they faced the juniors for the final game. They were a little nervous the day they played the juniors, not that they thought they would be beaten but so much depended on this game. If they won, they would also win the Intramural Volleyball Banner which they had held for two years. The juniors put up a good fight and kept the score tied for the first ten points, but then the seniors broke loose and went on to win the championship twenty-five to ten to complete their perfect record at Medford High. We can thank the following Senior girls for this splendid performance:

Projector Club

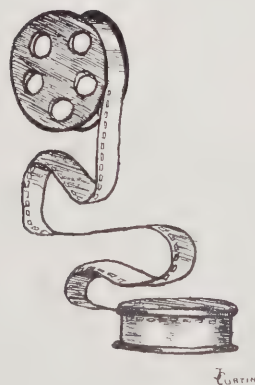

The projector club is an organization with two aims. The first is to teach its members how to use and make minor repairs on all types of tape recorders, movie projectors, filmstrip machines, amplifiers, and public address equipment. The second is to be beneficial to the Medford School system through their knowledge of these machines. The club consists of thirty members who elected Fred Chipman as their President.

The class of '52 would like to thank sincerely the projector club and its leader, Mr. Mockler, for its help in adding to the success of our years at M. H. S.

The senior members are:

Louis Porcella

The "M" Club

M CLUB

The first question asked by our athletes at Medford High School upon the completion of the sport in which they played is usually, "How do you get your sweater?"

In order to answer this question, it is necessary to look behind the scenes at the organization which secures the sweaters for the boys, the "M" Club. Under the leadership of Mr. O'Connor the "M" Club consisting of 105 lettermen runs various functions throughout the year. Starting off with its annual Football dance, it then has a Mid-Winter Dance and a Spring Dance, by which they usually secure the money for the sweaters.

The "M" Club, however, does not stop with merely getting the boys sweaters.

At the monthly meetings the officers of the club arrange to have movies shown and various sports personalities present. Because of the spirit the M Club installs in the athletes and in the entire student body, it is one of the most important extra-curricular activities. The officers for our senior year were: Joe Monaco - President; Chester Hall - Treasurer; Ronny Creamer - Secretary.

Band

The students of Medford High School will long remember the fact that our high school band was chosen by Paul Whiteman, nationally known as the "King of Jazz", to receive his first annual "Award of Merit." It was presented to them at Philadelphia on December 29, 1951 in connection with his TV teen-age show. Mr. Whiteman chose the Medford High School Band from the outstanding high school bands in the country to receive this award, and offered the band an all-expense trip to Philadelphia to appear on his program.

Further testimony as to the quality of our band is shown in a statement made by Malcolm H. Holmes, Dean of the New England Conservatory of Music, and Director of the Harvard University Band, (which he sent to Paul Whiteman concerning our band:)

"The Medford High School Band is certainly the top organization in New England. It is exceedingly well-trained, makes a fine appearance on a concert stage, and has the best discipline of any high school group I have ever seen. I have no hesitation in saying that it is the best high school band in the New England area."

The band has had first division ratings at all state, sectional and national concerts for the past seventeen years.

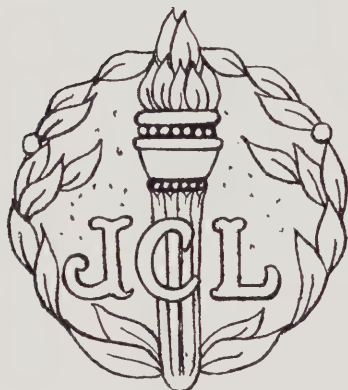

Though the trip to Philadelphia was the climax to the '51-'52 season, the band was busy with various functions throughout the entire year. Every fall Saturday afternoon found them keeping the spirit up at the football game by playing the school songs and other suitable arrangements. Who will ever forget the "between the half" stunts of our band? As has been the custom of previous years the band continues to hold an annual joint concert with the Deering High School Band of Portland, Maine.

Because we realize that in no way could we ever pay back our band for their tremendous contribution toward making our three years at Medford High School unforgettable, the class of '52 would like to say "Thanks a Million."

Junior Classical League

The Junior Classical League, a chapter of the American Classical League, was organized in 1949. Under the competent direction of Miss Esther Ladd it is one of the outstanding extra-curricular activities of the school. The club is open to all juniors and seniors taking Latin, and sophomores who have achieved a high scholastic standing in Latin. The league has a variety of activities: Latin quiz shows at the monthly meetings, programs of timely topics, trips to Boston museums, and other places of interest. The members of the league are planning an even more splendid finale for 1952 than last year's Roman banquet.

Girls' Club

In order to unite the girls of the school in a stronger bond of friendliness, the Girls' Club lives up to the six points of its emblem which symbolizes friendship, pride, self respect, sincerity, charity, and patriotism.

The club, made up entirely of seniors this year, meets once a month under the direction of Miss Mary Dyer and Miss Rita Kelly. The activities include two outings, one in the fall and another in the spring, a Christmas party for children, a theater party, a dance, and finally the annual May banquet.

All Girl Choir

The All Girl Choir, under the able direction of Miss Gundrun Ekman, has brought many honors to our school. The girls have participated in numerous festivals and have obtained very high ratings.

The choir has grown in the last few years and now has reached a total number of sixty-three members. At Christmas time everyone looks forward to hearing the girls sing Christmas Carols through the school corridors. This year, however, a few men teachers joined the members to make a mixed chorus.

The girls looked enchanting in their colorful gowns at the Christmas Assembly. Not only did they look beautiful, but they sang beautifully also. The choir worked tirelessly this year, many times practicing every day after school. We are proud of the girls and we feel that this All Girl Choir was the best Medford High has ever had.

The Italian Club is one of the largest and certainly one of the most responsive clubs in Medford High School. Familiarizing the students who study Italian with the customs, art, music, and cultural background of Italy is the main purpose of the club. Their advisor is Miss Josephine Bruno, who has worked diligently with the students for success. In addition to its regular meetings once a month the club enjoys socials in the afternoon and the evening. Other activities include attending Italian movies, an opera, and holding regular Italian parties for the various holidays. Such is the Christmas party at which the scenery, decorations, and feed are all Italian. The "Carnivale" is another gala affair. Every member comes in costume and in the past few years the costumes have been most ingenious. Some members have come disguised as royalty, hoboes, clowns, lollipops, babies, and telephones. Being original and effective is nothing new for the Italian Club. Without doubt the "Carnivale" party is different from any other affair in the school.

The most outstanding feature, however, is the banquet at the end of the year. Usually it is held at a country club and after a hearty meal, small citations are awarded. The lavish evening ends with varied entertainment and dancing.

On December 18, 1951, the Italian Consul made a special visit to the Italian Club. Unusual ceremonies were held, and the Consul was presented with \$175 for the aid of the Po River Drive. At this special assembly held in the library only Italian was spoken — not one word of English. The Italian Club is known for its spectacular events. After graduation, these fond memories of the well-planned, enjoyable activities still linger on.

House of Delegates

The House of Delegates is a student government body consisting of a representative from each home room in the entire school. Each representative is elected by majority vote in his particular home room. Through the united co-operation and understanding of the members, student criticisms, comments, and general ideas are expressed and acted upon accordingly. If a proposed idea is favored in the House of Delegates the bill is sent to the Student Council where it is considered. Provided that the Student Council favors the particular idea, it is brought forth to the Headmaster for approval and adoption.

The Senior Delegates representing their home rooms at the monthly meetings during the year 1952 were as follows:

Theresa Bartoli — 106	Charles Mahoney — 212
John Calareso — 107	Joan Nobis — 213
Joseph Danielli — 206	Audrey Penn — 214
Frances Doherty — 207	Warren Remirez — 215

Camera Club

The Medford High School Camera Club, under the guidance of Miss Catherine Burke, is formed to acquaint students interested in photography with the use of the equipment, and to help them perfect their skill and increase their knowledge of photography. The members hold interesting meetings at which they learn about various cameras and better pictures. Besides their main interest in the developing room their attention was stimulated by the fine display of the winning photographs which won awards in the National Photographic Contest. The members combine the art of having a good time together with the zest of learning a great deal of photographic knowledge.

Art Club

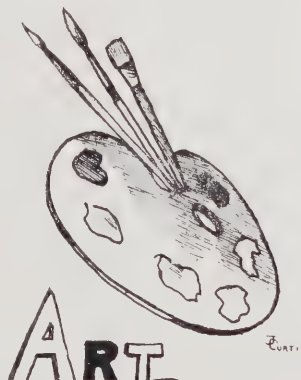

A festive Thanksgiving party held by the Art Club was one of their many activities during the past year. They also decorated gay jars and boxes for which the Medford Women Teachers Club filled with Christmas candy for the Infirmary. They also contributed dainty paper doilies. The art classes of Medford High made nut cups at Christmas time for the hospitals. The members of the Art Club helped the pupils with them and put in extra time to help get out their quota. This year has been a very interesting and successful one for the Art Club.

Distributive Education - Boys

The Distributive Education course, offered to senior boys, is now in its third year. This school-year's enrollment is 20 boys; 4 boys have left for the armed services.

The course follows a plan whereby the students attend classes for part of the day and work the rest of the day in stores located throughout Greater Boston. The members of this class receive school credit for this valuable work experience as well as a salary. In addition to Physical Education and Hygiene, the Distributive Education curriculum includes the following subjects: English, Salesmanship, Economics of Retailing, and Merchandise Information. The supervision of this course is under the direction of Mr. Langley, the Teacher Co-ordinator.

Since they work in the afternoon, students in the course must forego most extra-curricular activities. The boys, however, have a club to provide them with some social activity. Among the Distributive Education Club's activities during the course of the year were the following: a Christmas party, and educational trip to the Framingham Shopping Center, and a trip to one of Boston's large department stores as a part of the course in the Economics of Retailing. The annual banquet in May was held in one of Boston's leading hotels.

The stores cooperating with the program were: F. W. Woolworth (Boston); R. H. White (Boston); Filene's (Boston); Raymond's (Boston); R. H. Stearns (Boston); Gilchrist (Medford); W. T. Grant (Medford); Star Market (Medford); Ronny's (Medford); Atlantic & Pacific Co. (Medford); M. E. O'Brien's Grocery (Medford; Lepore's Drug Store (Somerville).

Distributive Education - Girls

A career in retailing is the aim of the eighteen girls enrolled this year in the Co-operative Store Training Class. They will be the eleventh group in Distributive Education to be graduated from Medford High School.

The class meets daily eight o'clock until eleven o'clock and has a curriculum which includes the following subjects: English, retail selling, textiles, non-textiles, fashion, display, color-line design, advertising, marketing, store arithmetic, store system, store organization and problems, and health and physical education.

This year there are nine co-operating stores: Gorin's of Medford, W. T. Grants of Medford, Gilchrist Company of Medford, R. H. Stearns of Boston, R. H. Whites of Boston, Wm. Filene's & Sons of Boston, Jordan Marsh Company of Boston, Sears Roebuck Company of Cambridge, and Murray's Stationery of Medford. Upon the completion of the Course the Distributive Education students are placed full-time in these stores where they will receive added on-the-job training. Many of our graduates are now buyers, assistant buyers, and in advertising positions in the stores. The employment and supervision of this course is under the direction of Miss Mary McKay, the Teacher Co-ordinator.

Both boys and girls have organized the Distributive Education Club. This is an active group which this year has had a Christmas party, field trips, and an annual banquet as well as their regular meetings.

The Protective Department, under the supervision of Mr. Pidgeon, carries out a systematic program which is notable for keeping the school traffic in order. This organization includes assigning guides for visitors, preventing students from eating outside the lunchroom, restricting the use of corridors during recess, and being on the alert during fire drills. This department is instrumental in maintaining high standards of safety and order in Medford High School.

COOPERATIVE OFFICE TRAINING GROUP I

COOPERATIVE OFFICE TRAINING GROUP II

Medford High School enjoys a distinct advantage in business because of its office cooperative course.

Each year the members of this course go out in business offices on a two-week plan. The class is divided into two groups. The position in business is covered by two girls, one working the first two weeks of the month, the other the second two weeks. This continues throughout the year. While working, the girls are treated as regular employees. They are paid a salary as any beginner and their work is supervised accordingly.

The school supervisors, Miss Harrigan and Miss Roughsedge, visit the girls in business, receive rating reports, and plan the school work to co-ordinate with what is noted in the business offices.

The school plan arranges for the carry-over of all the activities of the school so that the girls will not lose any of the benefits of school in general, or extra curricular advantages due to their in-and-out of school program.

The business experience acquired is of real benefit in that the girls become regular employees when they are released from the school for full-time work, and they are credited for the experience gained.

A review of past records shows that the girls have attained unusual success in business. The personnel departments of the business houses employing the office cooperatives praise the work and use it as a key for other schools interested. Employers also feel they are a part of the program since they co-operate so closely with the school supervisors.

The girls count their membership in this group as a mark of merit in itself.

Senior Advisory Council

The Senior Advisory Council is comprised of one delegate from each homeroom plus the four class officers. Delegates are chosen for their outstanding qualities of leadership and dependability. They plan such functions as the Senior Prom, Senior Reception, and the Class Outing. The energetic advisors are Mr. Arthur Crowley and Miss Pauline Rice.

Did you ever wonder how a name is chosen for a prom? Well, just ask any member of the council and they might tell you that they wonder too. The colors for the prom, blue and silver, were chosen and then they had to pick a name to go with the colors. The names in question ranged anywhere from Silver Bells to Cockleshells, with pretty maids in a row. Finally the name of "Stardust" came through with flying colors. The members worked hard but their efforts were not in vain. The prom, the reception, and the outing were tops.
